MEMORANDUM AND ORDER

DALE ARTUS, Superintendent of the
Clinton Correctional Facility,

This is not an ECF case

Respondent.

-----x
DOUGLAS F. EATON, United States Magistrate Judge.

On March 13, 2008, Judge Daniels referred Mr. Dotson's habeas petition to me.

I have reviewed the documents in the Court file. On August 24, 2007, Assistant Attorney General ("AAG") Frederick H. Wen mailed his Notice of Appearance to Mr. Dotson, and noted that all papers were to be served upon him. Nevertheless, when Mr. Dotson was transferred to Sullivan Correctional Facility, he failed to mail AAG Wen a copy of his letter to Judge Daniels giving his new address. (His letter was undated, but it was postmarked November 2, 2007.) Consequently, on November 7, 2007, AAG Wen mailed the respondent's opposition papers to Mr. Dotson at the old address, Clinton Correctional Facility. I assume Mr. Dotson never received them.

On March 18, 2008, my law clerk telephoned AAG Wen. By March 19, he will mail an extra copy of the respondent's opposition papers to Mr. Dotson at Sullivan Correctional Facility.

I hereby grant Mr. Dotson an extension until April 30, 2008 to submit any reply papers to me (with a certification that he has mailed a true copy to AAG Wan). Like any other document, his reply papers must list the case name, and the docket number 07 Civ. 5680(GBD)(DFE), and the date of mailing. Each page must leave a one-inch margin on all four sides, and each page must be numbered at the bottom.

After April 30, it will take several months for me to write a Report and Recommendation to Judge Daniels.
